Job Description:

Immediate opening for Head Coach of Germany's Men's National Baseball Program.

The German Team is ranked 18th in the world and one of the best baseball programs in Europe, with aspirations of qualifying for the 2017 WBC.

Duties include game management, practice planning and organization, individual player instruction, talent development, scouting, etc.

The position requires physical presence in Germany 10-12 months a year.

Special Requirements:

Experience in working with college-level and professional players, international experience expected.

Application Instructions:

To apply, email CV and Baseball CV, letter of interest and at least three references including Email and telephone phone numbers to fries@baseball-softball.de. Please make a note of earliest starting date and desired annual salary.

The German Baseball and Softball Federation (DBV), a member federation of the World Baseball Softball Confederation (WBSC) and member of the Confederation of European Baseball (CEB), is seeking applications for the position of Head Coach for the Men's National Baseball Team.

The National Head Coach ("Bundestrainer") will be responsible for the on-field management and player development program of all phases of a international baseball program, operating within the guidelines, rules and regulations of the involved federations.

Deutscher Baseball und Softball Verband e.V.

Responsibilities include but are not limited to: recruitment and supervision of the baseball coaching staff, scheduling, organizing and running practice sessions in and out of season, actively seeking to develop new performance methods and strategies and implementing a holistic baseball program for the underlying (developmental) age groups, communicating with players and club level coaches.

The National Head Coach will also coordinate development activities. The position is responsible for the selection and training of qualified assistants and the development of club-level coaches in coordination with the Technical Director. The National Head Coach will direct and manage assistant coaches and players, delegate and prioritize responsibilities, conduct coaching staff evaluations as appropriate and perform other duties as assigned by the Technical Director

Qualifications include the following: Substantial collegiate and professional baseball coaching experience required. Professional playing experience will be considered as well. Demonstrated ability to lead and manage people. Possess excellent written and verbal communication skills in English. German language skills are a plus. Demonstrated ability and success in teaching the skills and fundamentals of the sport. Demonstrated ability to organize and motivate athletes to maximum performance level in sports and beyond. Proven experience in in-game management. Must be willing to relocate.

All application materials must be sent as PDF or Word documents to the Technical Director Dirk Fries (fries@baseball-softball.de). The application file must include a letter of interest, current resume, a baseball CV and three current references including telephone numbers and e-mail addresses. Review of applications will begin immediately and applications will be accepted until interviews begin.
