These camps have been organized as the famous Elite Pitchers Bootcamp, which takes place every month at the Texas Baseball Ranch in Montgomery. -Throughout the years these camps have witnessed the enthusiastic participation of literally thousands of players from all over the world.

There will be open slots **for the first 100 athletes and 100 coaches only**, equally split between the two camps (50 athletes and 50 coaches per camp).

Participation costs, room and board **not included**, are as follows:
